Credit Card Fees

Software has been developed and approved by card brands that will eliminate interchange fees on credit cards payments and instead add a 3.5% fee to individual transactions, shifting the cost to card users. Would your practice utilize the program?

| Responses | Responses | % |
|--|------------------|----------|
| Yes | 126 | 51.85% |
| No | 101 | 41.56% |
| We already charge a fee for credit card payments | 2 | 0.82% |
| Not applicable to my practice | 14 | 5.76% |
| Total Responses | 243 | |
